Protecting and promoting the health & safety of Florida's residents and visitors

Since 1947

FEHA Award Descriptions

- The ***Melissa Brock Award*** Recognizes the outstanding achievements in going above and beyond the job description of an Environmental Health director, Administrator, Supervisor or Manager
- The ***Rookie of the Year Award*** recognizes individuals that have exhibited exemplary behavior and have contributed in an outstanding way to the field of environmental health
- The ***Outstanding Environmental Health Professional Award*** recognizes those individuals who have made unusually successful accomplishments of an outstanding nature during the past year
- The ***Charlie Rhodes Award*** recognizes Registered Sanitarians or Registered Environmental Health Professionals that have exhibited exemplary behavior and have contributed in an outstanding way to the field of environmental health. The award will recognize accomplishments that have occurred over a long period of time, e.g., for more than a year.
- The ***Billy G. Tennant Award*** recognizes accomplishments, which have occurred over a long period of time (more than one year), of environmental health professionals.

Special Awards may be submitted for individuals who have made outstanding contributions to public health that may not fit into the other awards categories, e.g., Industry Award.

Eligibility

Outstanding Environmental Health Professional or Billy G. Tennant Award

To be eligible for the Outstanding Environmental Health Professional or Billy G. Tennant Award, a candidate must:

1. Be a member of FEHA.
2. Have had three (3) years of experience in the field of Environmental Health.
3. Not succeed himself/herself for the award.

Rookie of the Year Award

To be eligible for the Rookie of the Year Award, a candidate must:

1. Be a member of FEHA.
2. Be employed less than sixteen (16) months in the field of Environmental Health

Charlie Rhodes Award

To be eligible for the Charlie Rhodes Award, a candidate must:

1. Be a registered sanitarian or a registered environmental health professional
2. Be a member of FEHA

Melissa Brock Award

1. Be a member of FEHA
2. Be employed as an Environmental Health director, Administrator, Supervisor or Manager

Additional requirements for all awards

In addition, the following information must be included before the Awards Committee can consider any recommendation:

1. A brief summary of the candidate's employment in Environmental Health, giving dates and rating attained.
2. Complete details of the activities leading to this recommendation.
3. A general evaluation of the Environmental Health Program under the candidate's supervision. (Preferably by the District Awards Committee).
4. The initiative of the candidate and the degree of supervision exercised and received.
5. Documented evidence of achievements, where available, including publications, citations, awards, etc.
